FRANCHISE SERVICES

On 20th September 2014, in order to reach Global IT Security Community with its Best of Industry, IT Protection Services and Finest Professional Training Programs, CSSRL initiated **GLOBAL PARTNERSHIP INITIATIVE (GPI)**.

GPI model basically presents Assisted Entrepreneurship / Partnership Model, wherein Investors / IT Entrepreneurs / Organizations across the globe can establish various types of Franchised Business Centers.

- COUNTRY EXCLUSIVE
- STATE EXCLUSIVE
- REGION EXCLUSIVE
- CITY EXCLUSIVE

As per GPI terminology, this Franchised Business Center shall be termed as "**ACCREDITED EXTENSION CENTER (AEC)**".

Moreover, in order to accommodate Entrepreneurs / Investors from all Financial Background and Regional Economies, GPI proposes **FOUR TIER FRANCHISE MODEL**
